

## 2024 Reserved Pit Parking Spots

### Terms and Conditions

- 1) Reserved pit parking spots are for race cars and race car haulers only.  
(If you do not have a race car, your spot will be used by someone with a race car).
- 2) Reserved spot's locations will be the first option for previous car owners year after year.  
After previous owners renew, spots remaining are first come first serve.
- 3) Any drivers that are banned or suspended, lose their spot for the year.
- 4) Any drivers that quit racing during the season, reserved spots automatically go back to control of the racetrack. NO re-assigning or transferring of spots amongst race teams.  
Only the track can assign a reserved spot to a race team.
- 5) If you have a reserved spot, and cannot make the race, private message the racetrack Facebook page letting us know, so someone else can use your spot.
- 6) If you have a reserved spot, and are running late to get to the race, private message the racetrack Facebook page letting us know, so we can assist with saving your spot. We will make an attempt to save your spot, but it will not be guaranteed.
- 7) No refunds for any reserved pit parking spots.
- 8) No parking personal vehicles, ATV's, UTV's, 4 Wheelers, Pit bikes, golf carts, etc in reserved pit spots.
- 9) All reserved pit parking spots must be clearly marked by an easy to see and read pit sign, with your car number displayed on it. The track will not be held responsible for pit spots taken by others if you do not clearly mark your pit spot.
- 10) All reserved pit parking spots will be kept open and available by track officials up until **30 minutes prior to the drivers meeting** posted on the Order of Events. If you are not parked on your pit spot 30 minutes prior to the drivers meeting, your spot can be used by another race team needing a spot.  
I have read and understand these terms and conditions.
